"The bold blend of stripes and plaids."

WHAT C&G LOVES ABOUT THIS ROOM:

- > The fearless play with pattern! (A Mulberry Home tartan wall covering curates modern artwork.)
- > The Tucker Robbins zigzag side table with that tilting lamp.
- > The mix of textures to accentuate the clean lines of the furniture.

"There are tons of fun seating options for guests, yet it doesn't feel overcrowded."

– Lara Michelle, Lara Michelle Beautiful Interiors
